FEEDBACK FROM NSW RAIL SAFETY REGULATIONS 2007 CONSULTATION

The Independent Transport Safety and Reliability Regulator (ITSRR) conducted a public consultation on the *Draft NSW Rail Safety (General) Regulation 2007* and the *Draft NSW Rail Safety (Drug and Alcohol Testing) Regulation 2007* in September/October 2007.

ITSRR received 14 submissions in relation to the Regulations which support the *Rail Safety Bill 2007*.

Tables outlining the issues raised in those submissions and ITSRR's responses can now be viewed on ITSRR's website at:

http://www.transportregulator.nsw.gov.au/rules/documents/Rail_Safety_General_Regulations_2007_Comments.pdf and

http://www.transportregulator.nsw.gov.au/rules/documents/Rail_Safety_D&A_Regulations_2007_Comments.pdf

The Draft Regulations will be amended accordingly and will come into effect when the *NSW Rail Safety Act 2007* commences.

More information on the National Model Legislation and its implementation in NSW is available on the ITSRR website <http://www.transportregulator.nsw.gov.au>
